

Focus Programme

Personal and social development programme with a focus on outdoor learning

A programme designed to raise confidence and self-esteem, improve team work and communication and develop life skills. The programme supports pupils to develop social skills using the farm, garden and adventurous activities to engage them, providing a positive experience of education.

This project is for young people in Y7 & Y8 who are underachieving in mainstream school and are at risk of not fulfilling their potential.

The project is designed to be attended on a regular basis, for 1 day per week, in conjunction with school, tutoring or other alternative provision. *The programme runs on Mondays only from October Half Term until Easter holidays.*

£120 per person, per day (as of 1st Sept 2024)

Working in a 6:1 student : staff ratio. If additional support is required, this must be arranged separately.
